Supplier agrees to be bound by and to comply with all terms and conditions set forth herein (“Terms and Conditions”; and together with the Order, the “Purchase Order”) for the goods, deliverables, products, software, personal property, and/or applicable related services (“Deliverables”) described in the order form (“Order”) into which these Terms and Conditions are incorporated by reference. The sale and/or provision of such Deliverables will be governed exclusively by the terms and conditions set forth herein; notwithstanding, these Terms and Conditions shall be superseded in the event a separate agreement, intended to govern the purchase of Deliverables, has been executed between Twitter and Supplier. Acknowledgement of the Order, including without limitation, by the provision of the Deliverables called for by the Order or acceptance of payment, shall be deemed acceptance of this Purchase Order including without limitation, these Terms and Conditions. If there are conflicting or inconsistent terms between any of the provisions of a separate written agreement that has been executed by both Twitter and Supplier (“Separate Agreement”) connected with this transaction under a Purchase Order, the provisions of the Separate Agreement shall supersede any such conflicting or inconsistent provisions of this Purchase Order. In the absence of a Separate Agreement, this Purchase Order constitutes the entire agreement of the parties with regard to the subject matter, and supersedes all prior written or oral representations, proposals, promises, agreements and understandings between Twitter and Supplier and any different or additional terms and conditions. In the event of a conflict or inconsistency between any of the provisions of the aforementioned documents above, the conflict or inconsistency will be resolved in the following order: (1) Fully executed Separate Agreement, if applicable, (2) Terms and Conditions, and (3) Order. Any terms and conditions proposed by Supplier in acknowledging or accepting this Purchase Order which are different from or in addition to the terms set forth in this Purchase Order shall not be binding upon Twitter and shall be void and of no effect.

1. **PRICE AND TERMS OF PAYMENT.** To be valid, Supplier's invoices must contain Twitter's Purchase Order number and part number, the manufacturer's part number, a full description of the Deliverables, the quantity, unit price and total price, and the delivery address, as applicable. Valid Supplier invoices will become due for payment by Twitter, net thirty (30) days from Twitter's receipt of the Deliverables or the date of receipt of a correct invoice (whichever is later) unless otherwise indicated on the face of the Order. The date of invoice will not predate the date of delivery of the relevant Deliverables. Supplier will send invoices to Twitter's address designated on the face of the Order or to such other address as Twitter may specify in writing. Notwithstanding anything to the contrary contained in this Purchase Order, (a) invoices submitted more than six (6) months after Twitter's receipt of Deliverables will be rejected and no payment shall be made and (b) Twitter shall have no liability whatsoever under any Purchase Order for amounts due under any such invoice. Currency shall be in Australian dollars unless otherwise identified on the face of the Order.
2. **TAXES.** Amounts payable to Supplier under this Purchase Order are exclusive of any transaction taxes (including sales, use, consumption, value-added and similar transaction taxes) that may be imposed in connection with fees received by Supplier pursuant to this Purchase Order. For any payments made under this Purchase Order, Supplier may charge and Twitter will pay applicable transaction taxes, provided that such transaction taxes are stated on the original invoice related to the Deliverables rendered, that Supplier timely provides to Twitter and Supplier's invoices state such transaction taxes separately. Twitter may provide Supplier with an exemption certificate or equivalent information acceptable to the relevant taxing authority, in which case, Supplier will not charge and or collect the transaction taxes covered by such certificate. Twitter may deduct or withhold any withholding taxes that Twitter may be legally obligated to deduct or withhold from any amounts payable to Supplier under this Purchase Order, and payment to Supplier as reduced by such deductions or withholdings will constitute full payment and settlement of amounts payable to Supplier under this Purchase Order. If a tax authority subsequently finds that Twitter's withholding tax payment was insufficient and requires additional payments, Twitter will make such payments and Supplier will reimburse Twitter for such additional withholding tax payments. Within a reasonable period, Twitter will provide Supplier with documentation evidencing its withholding tax payments.
3. **PACKAGES.** Packages must bear Twitter's Purchase Order number, show quantity or gross and net weights, and conform to Twitter's labeling requirements, if specified, and as applicable. No charges for packaging will be payable by Twitter unless otherwise agreed in writing. Packing slip must be enclosed, and must reference Twitter's Purchase Order number and Purchase Order line item.
4. **TRANSPORTATION.** Deliverables will be shipped in accordance with the transportation instructions on the face of the Order. The Deliverables will be shipped Delivered Duty Paid Twitter's facility (DDP Incoterms 2010) unless other transportation arrangements are pre-approved by Twitter in writing. A paid freight bill or equivalent must support charges for such other transportation arrangements. For international shipments, Supplier will provide all documentation and data elements required for timely customs entry. Shipping documentation (commercial invoice) will include the harmonized tariff code as provided by Twitter, the country of origin, Twitter part number, manufacturer part number, unit price and quantity per line and a customs compliant description.
5. **TITLE, PROPERTY AND RISK.** All title to, property in and risk in Deliverables will pass to Twitter free of all liens and encumbrances on acceptance of the Deliverables as set out in Section 9.
6. **OWNERSHIP OF DELIVERABLES AND LICENSE TO SUPPLIER INTELLECTUAL PROPERTY.** To the extent that Deliverables include intellectual property as part of the Deliverables, Twitter and Supplier agree that, to the fullest extent legally possible, all Deliverables will be works made for hire owned exclusively by Twitter. Supplier agrees that, regardless of whether the Deliverables are legally works made for hire, all Deliverables will be the sole and exclusive property of Twitter. Supplier agrees to irrevocably transfer and assign to Twitter, all right, title and interest worldwide in and to the Deliverables. At Twitter's request and expense, Supplier will assist and cooperate with Twitter in all respects and will execute documents, and, subject to the reasonable availability of Supplier, give testimony and take such further acts reasonably requested by Twitter to enable Twitter to acquire, transfer, maintain, perfect and enforce its intellectual property rights and other legal protections for the Deliverables. Supplier hereby appoints the officers of Twitter as Supplier's attorney-in-fact to execute documents on behalf of Supplier for this limited purpose. Supplier agrees to irrevocably transfer and assign to Twitter, and waives and agrees never to assert, any and all moral rights that Supplier may have in or with respect to any Deliverables, during and after the term of this Purchase Order. To the extent that Supplier owns or controls (presently or in the future) any related rights to the Deliverables, Supplier hereby grants or will cause to be granted to Twitter a non-exclusive, royalty-free, irrevocable, perpetual, transferable, worldwide license (with the right to sublicense) to make, have made, use, offer to sell, sell, import, copy, modify, create derivative works based upon, distribute, sublicense, display, perform and transmit any products, software, hardware, methods or materials of any kind that are covered by such related rights, to the extent necessary to enable Twitter to exercise all of the rights assigned to Twitter under this Purchase Order. To the extent that any Supplier's intellectual property is incorporated into or necessary to use any Deliverable, Supplier hereby grants to Twitter a non-exclusive, worldwide, royalty-free, transferable right and license, solely to the extent necessary for Twitter to use the Deliverables to obtain the benefit of the Deliverables.
7. **DELIVERY/LATE SHIPMENTS.** Supplier will deliver the Deliverables at the place, date and time specified in the Order, unless otherwise agreed by both parties. If Supplier fails to meet the delivery schedule by more than five (5) days, then notwithstanding Section 13, Supplier shall notify Twitter in writing and Twitter will be entitled to either (a) terminate this Purchase Order for such Deliverables and for any other Deliverables the intended use of which has consequently been delayed or prevented; or (b) make alternate arrangements for the transportation of the Deliverables. Supplier will reimburse Twitter for any additional costs that Twitter incurs in purchasing replacement Deliverables or in arranging for alternate transportation.
8. **RESCHEDULING/CANCELLATION.** Twitter may reschedule any delivery of Deliverables without liability. Twitter may cancel any outstanding Purchase Order or part of a Purchase Order without liability by giving five (5) business days prior written notice to Supplier. If Twitter cancels a Purchase Order on less than five (5) business days notice and Supplier cannot, after exercising its commercially reasonable efforts, use the Deliverables in the course of its business or dispose of them, Twitter will compensate Supplier in an agreed-to amount not to exceed the actual purchase price of the Deliverables. In no event will Twitter have any liability in respect of any Purchase Order cancelled pursuant to Sections 7, 9 or 13.
9. **ACCEPTANCE/INSPECTION/NON-COMPLYING DELIVERABLES.** The Deliverables shall be subject to inspection and acceptance rights. Payment shall not constitute Twitter's acceptance of the Deliverables nor impair Twitter's right to inspect the Deliverables. If Twitter notifies Supplier in writing at any time within ninety (90) days of delivery that the Deliverables do not comply with the provisions of this Purchase Order and/or any Deliverable description and/or documentation, Twitter may, at its option, require that Supplier either repair or replace the Deliverables or re-perform the Deliverables with all possible speed (which will not to exceed standard lead time for the Deliverables) and without cost to Twitter (including any relevant freight and duty costs incurred). Twitter shall have the additional option during such period of returning the Deliverables to Supplier at Supplier's cost and receiving a credit of the purchase price.
10. **SUPPLIER'S REPRESENTATIONS AND WARRANTIES.** Supplier represents and warrants that all Deliverables provided will: (a) (i) be new and unused; (ii) be free of defects in materials, workmanship and design; and (iii) not infringe a third party's intellectual property rights; (b) comply with the specifications set out in this Purchase Order and any samples provided by either party to the other and agreed to by Twitter; (c) comply with Twitter's quality assurance procedures as provided to Supplier from time to time; (d) comply with any applicable quality specification and documentation; (e) be manufactured, handled, packaged and transported in accordance with all applicable laws, regulations, ordinances, rules, guidelines and industry standards (“Laws”); and (f) not include any substance restricted for use in electrical or electronic equipment by any laws, or regulations, other than permitted by the foregoing, and any guidelines or industry standards; (h) it will perform services in a professional and workmanlike manner, conforming to industry standards and practices.
